SOPHIES CORNER

It's been another busy month for us here at Noarlunga City Pistol Club.

This month we held the WA1500 and Service OPEN, while adding 2 extra Air shoots on the Saturday at 9 and 12. It was again great to see so many people attend the shoot and see many new and old faces around the club. We had a new junior shooter Lachlan Bickie, competing in what I think was his first ever competition. Lachlan is from Balaklava pistol club, and he shot a very consistent match. I am really enjoying seeing some more new junior shooters coming out to competitions, and it is always nice to get to meet these new juniors. Skye May backed up her state team qualifying score with an excellent 526, very well-done Skye keep up the fantastic scores! With the support of everyone in the club I hope we get more and more junior shooters. I really want to thank Alison Heinrich for all her support, she has arranged a junior training day for us juniors on the 28th April at Noarlunga City Pistol Club. This is to help us all getting ready for the Tri-States competition. Alison continues to show so much support for our club and we are very lucky to now call her a member. I have enjoyed talking to so many other juniors who are interested in joining our sport. I look forward to seeing what else we can achieve.

Thanks again Sophie Wright

AROUND THE CLUB

SHOTGUN GROUP

Its great to see many of the matches going through a surge of popularity and that stands with the Shotgun group as well .

On easter Saturday the group got together, in normal match time, to practice for club champs next week. We also hosted a new member (in training) and are happy to host any member wanting to have a go. Just be careful , its ad-dictive.

Top row: Rich, Mike, Ross and Gagan.
 Front row: Michelle and Jason.

April 27th is our next working bee!

We will be getting a skip and cleaning up around the club.

There is another Open on May 4th

so there are many jobs to do as well as general maintenance.

There is still some painting to do and cleanup from the new carpet being done this month.

We will be having a free BBQ lunch for those that attend and help out. |

Don't forget—when there is an Open on the ranges are closed to normal matches

SERVICE OF ALCOHOL

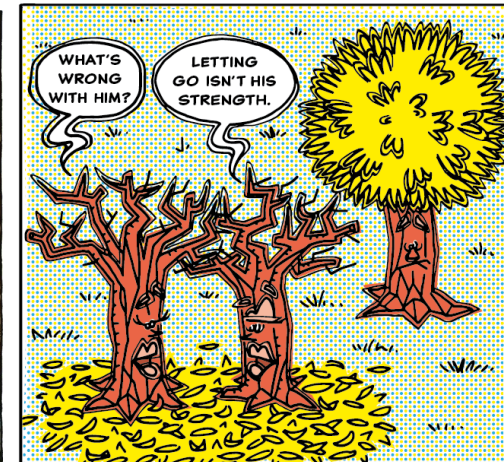

The club now has a liquor licence and a selection of beer and spirit mixers is available for sale and consumption on the premises

Please note

- You can only purchase and consume alcohol once you have finished shooting for the day
- Once you have consumed any alcohol, you may not shoot or officiate in any capacity on range
- Alcohol cannot be taken on to any range (as per signage at the entrance to each range)
- Alcohol can ONLY be accessed / served by an approved RSA (no RSA on site = no alcohol available)
- Initially we are focusing on Sundays and Wednesdays with a view to extending to Tuesdays and Saturdays as RSA trained members become available.

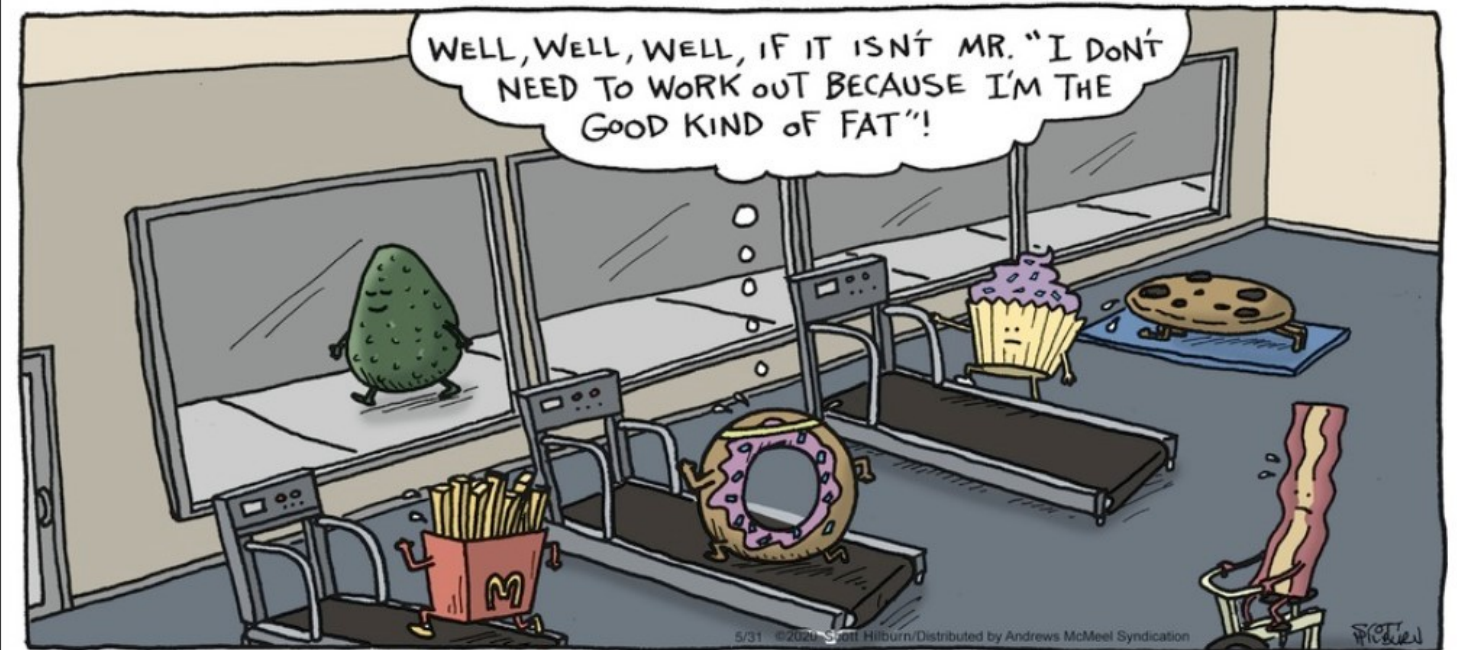

PLEASE FOLLOW THE BELOW ADVICE AT ALL TIMES ON THE RANGE AND PACK UP IF YOU ARE THE LAST SHOOTER ON THE RANGE (FLAGS, COMPRESSOR, POWER ECT.)

THE FUN SIDE

THE ARGYLE SWEATER
