SOPHIES CORNER

With our upcoming ISSF Open coming up from the 3rd to the 5th May and Tri-States for us juniors in June, today we held a junior training session. I would like to thank Alison Heinrich for coming up with the idea and getting support from SARPA. David Chapman and Nigel Gale gave up their Sunday to come down and run Air Pistol and Live fire .22 on range 2 at our club.

The day started with Air Pistol at 9am, some theory and then practical, followed by a BBQ lunch. Compliments to my dad for cooking that, he does a nice BBQ. After lunch we went out to range 2 for some .22 training. Both Nigel and David have a wealth of experience working with juniors. I found the day to be very helpful and found the tips given helped tremendously in the way I shot so thank you all so much.

I hope we have more of these days, travelling to different clubs, this will give us experience on other ranges. I believe Jackson Burton, Lauchlan Bickle and I, are all as grateful for the people around who continue to support us and push us.

Now, on a completely unrelated note. Earlier this month Alison was lucky enough to travel to Rio de Janeiro, Alison finished in 57th place (I believe) with a total score of 565, well done Ali we are so proud of you and can't wait to continue to support you throughout your continuous journey.

Thank you
Sophie Wright

WORKING BEE 27th April

Over 10 members showed up to help the club with our April working bee. The carpet was pulled up the night before by David A, Mike Mc, Jamie, Sophie and Lou. With a skip on site all the rubbish from the clubroom refurb and general waste was loaded up by a big crew. Brodie bought in a trailer and metal scrap was also tidied up. Other jobs were done like painting the grates around the windows and setting up the range for the ISSF Open on the first weekend of May.

Thanks David and Don for cooking up lunch for the hungry crew.

Many thanks :

JUNIOR COACHING DAY 28TH APRIL

We were lucky to have SARPA host a junior training day at our club. Nigel Gale, David Chapman and Alison Heinrich were on hand to run the juniors through their paces and teach some new drills. Well done to our junior shooters Jackson and Sophie.

 - On match completion, sweep up your spent brass and evaluate your used target:
 - If reusable – patch it **before** returning it to the target storage unit for re-use

 - If in doubt, ask!
- (The above also applies for practice sessions – please patch targets before storing for re-use)
