TOP TEN at 31st January 2025

The following points have been calculated based on scores obtained from:
ISSF - Noarlunga Open

If you think a score has been missed from a comp that you have attended and you want your scores to count either for the State Team Qualifiers or for the top ten please email (preferred) the details to State Team Coordinator and we will follow it up - stcoordinator@sarps.org.au

The three athletes with the most points at the end of each selection period are automatically selected for that match. Any draws for third position in any match is resolved by the highest score posted.

SOPHIES CORNER

Another month has past and Noarlunga had its second open, we started the month strong with the Mount Gambier Open. It was a fantastic weekend with lots of great shooting and lots of fun, thank you Ryan for the work you and your club put in. NCPC was lucky enough to take home the shield for the first ever consecutive time. Congratulations to everyone that competed.

After that we where back home at Noarlunga, we had the WA1500 Open, another fantastic weekend watching everyone try new shooting styles and all having a laugh together. Thank you so much Rob for running the event so smoothly. The next event is Maitland in 2 weeks, and we hope to see a lot of people there representing NCPC. Hope everyone had a fantastic February, see you next month.

Sophie

MOUNT GAMBIER 2025

It was even a bit cool in Mount Gambier early in the month making conditions quite good for shooting. Well done to those members who made the trek to shoot on a lovely Range built for the sport. The Mount Gambier club members were great hosts and everyone had a great time. With plenty of onsite camping and close by hotels it's a great place to start shooting Opens.

NOARLUNGA CITY PISTOL CLUB WA1500, SERVICE AND AIR FEBRUARY 21-23

Another Open this month in a busy time for them. Its great to see so many on the calendar at the moment and those people behind the scenes who get the jobs done. We are extremely lucky to have Robert P as our Organizing Secretary and Mike M in charge of the canteen with helpers Don and David. Members who were at the event were keen to help whenever they could over the weekend. Sharlene was brilliant on the Saturday helping out with scoring the WA1500 targets. Sophie and Jamie attended on the Sunday, when they weren't required and helped out on Range crew. Robert had a crash course on Range Officering the Service Match stepping up when required. Bob I came down just to help on the Range which he does at most Opens. A big THANK YOU to everybody who helped over the weekend.

Top and second row:
Air Pistol was pretty popular
with most of the match shot on
Friday night and Saturday
morning .

Third row:
Phil, Steve and Craig shot
WA1500 and Service matches.
The Range crews worked hard
on the service day (the WA
guys score their own).
Bottom Row: Sharlene and
Mike P score WA1500 targets ,
Mike and Robert sort out the
RO duties.

TRAINING ON THE LINE—SARPA COACH DAVID CHAPMAN

The 15th Of Febuary saw the first of the TOTL classes run by SARPA. David Chapman started in the clubrooms with a break-down of the shot process. Each part of the process was broken down and explained as it should be done. After morning tea the group headed to the Air Range where David provided exercises aimed at making the training process targeted at the skills.required for the shot process. The course resumes this weekend (1st March) with some work on the outdoor Ranges.

PLEASE FOLLOW THE BELOW ADVICE AT ALL TIMES ON THE RANGE AND PACK UP IF YOU ARE THE LAST SHOOTER ON THE RANGE (FLAGS, COMPRESSOR, POWER ECT.)

RANGE ETIQUETTE & HOUSE-KEEPING

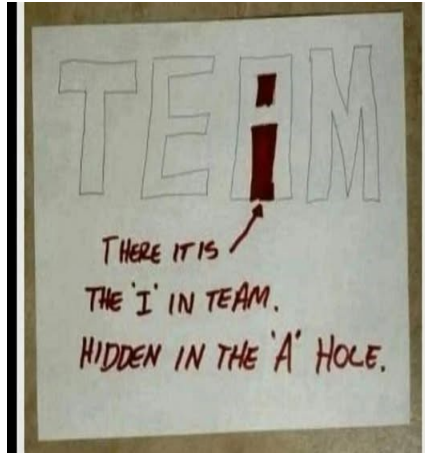

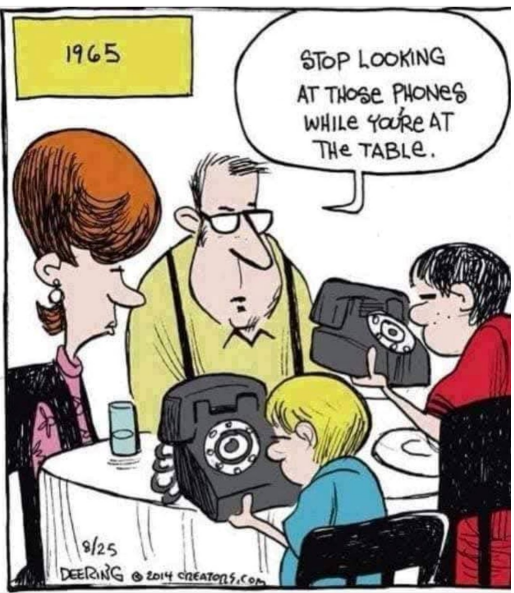

- Please be on range at least **10 minutes** prior to the scheduled match start time as a courtesy to your fellow club members who have set up and are ready to start shooting at the scheduled time
- The Range Officer has total control of the range and the match – follow all Range Officer commands without exception
- On match completion, sweep up your spent brass and evaluate your used target:
 - If reusable – patch it **before** returning it to the target storage unit for re-use
 - If shot-out - dispose in one of the yellow lidded wheelie bins near the clubhouse
 - If in doubt, ask!
- (The above also applies for practice sessions – please patch targets before storing for re-use)
- Assist with taking range caddies and target carriers back to the clubhouse
- Leave the range clean and tidy for the next user(s)

“Okay, listen up! The cops are closing in on this place, so here’s our new hideout: 455 Elm Street. ... Let’s all say it together about a hundred times so there’ll be no screw-ups.”

Well, I've finally reached the wonder years...

Wonder where my car is parked? Wonder where I left my phone? Wonder where my glasses are? Wonder what day it is?

A Aussie and a Maori walk into a bakery. The Aussie steals three pastries and slips them into his pocket. He turns to the Maori and says "pretty slick aye bro, the owner didn't even see me". Unimpressed the Maori replies "typical dishonest Aussie, bro I'm gona show you the honest way and still get the same result". The Maori calls out to the owner of the shop and says "bro I want to show you a magic trick" intrigued the owner obliges. The Maori asked him for a pastry and he eats it. He asks for another and eats that to. And the another which he eats also. By now the owner says "c'mon mate where's the magic trick?" The Maori replies "now check his pockets" pointing to the Aussie.
