President's Message

Greetings Ladies!

First off, I sincerely want to thank Rebecca Nicholes and Karri Van Tongeren for covering the two absent board members' duties during the last Coffee/Business meeting, and I especially want to thank Amy Gentry for researching and leading the class on chair yoga. I do feel so grateful to work with women who pitch in where they see the opportunity or need. If the class interested you, you might want to check out similar classes at the Henderson Multi-Generational Center. I know they offer a variety of classes for seniors, and I have been a member for about 10 years. As a matter of fact, DNC member Ronnie Ralston and I have been students in the "Gentle Yoga" class for several years and our own Sue Regan has also joined in. The Center supplies the basic equipment: chairs, weights, mats, blocks and straps.

President's Message, continued . . .

The reason for my absence was because my husband was hospitalized. I was surprised that his admitting diagnosis was not, "failed to listen to common sense", but apparently Medicare does not recognize that. He is home now and doing well. Another resource that I encountered during this time and highly recommend is Foundation Assisting Seniors in Anthem. They offer, among other things, durable medical equipment, often at no charge and with no set length of time. Phone number: (725) 244-4200.

Shining the Spotlight on Helene Silverstein

I am honored to be featured in this month's newsletter.

I grew up in Southern California where I lived in Culver City and Sherman Oaks. I worked at a medical laboratory while attending college. Then I worked for an insurance agency and an aerospace company in Human Resources. I am currently celebrating 52 years with Avon.

In 1970 I married my husband Joel and we raised two children, Michele and Josh. We moved to Thousand Oaks and became active with the PTA, little league, and soccer.

In 2001 we decided to move to Henderson and start a new experience here. Since I knew nobody, I decided to join a bowling league. It was there that I met some ladies that were members of Desert Newcomers and they encouraged me to come to a meeting. At that meeting, I was warmly welcomed and knew that this could be a great way to make new friends. In 2004 I became Membership VP and enjoyed it so much that I continued in 2005. My husband passed away in 2010 and my friends encouraged me to get more active in the club, so I was Recording Secretary in 2011.

I currently have a fun Mexican Train group. What I am most proud of is my Widows Social Group, which I started in 2017. I realized that widows need to engage themselves socially so that there is less chance of feeling lonely and helpless. The ladies in my group are supportive and developing lasting friendships. This has helped me, and hopefully others, to find purpose in our lives after losing a spouse.

I can honestly say that Desert Newcomers is fantastic. Take advantage of all it has to offer!
