President's Message

Dear Members:

The 2026 DNC Board of Directors has had a busy first two months of the year. Here are some things we are working on:

1. Our Financial Records Audit for calendar year 2025 has been completed and approved by the 2026 BOD. The committee consisted of Margie Fleming, Kathie Hodges, Diane Reinhart and Jeannine Oliver. The conclusion: "It is the opinion of the above audit committee that the 2025 financial reports are accurate and reflect the income and expenses of the DNC." Recommendations made had to do with processes, as they relate to restaurant contracts, performer tips, full description of reimbursements and full information regarding payments to businesses: name, address, etc

President's message continued on page 2 . . .

President's Message, continued . . .

2. A BOD committee has been formed to tackle the digitization of our records that by law must be saved and available to the State of NV, and the IRS, some records are required to be saved permanently, while others, for seven years. These records are from 2004 to the present. Considerable work was done by Laura Annese and Sue Luchs a few years ago, in terms of culling documents no longer needing to be kept and organizing those that were. Some records have been saved on-line, but others are still just on paper.
3. Are you aware that our Directory of Members is available on-line? We will only print 200 this year in paper form, since we had almost 100 unclaimed from last year. You will need a password, which you can get from Amy Gentry at: amygentry2001@gmail.com or text (217) 494-4530.
4. The BOD is considering arranging for an "Elevated" luncheon, one that will cost each attendee more money (at this point amount is undetermined), but with presumably, an elevated experience and menu. It will take place the third Wednesday of the month selected, as usual.

Best to you all!
Kathie Hodges
2026 President
