Desert Newcomers Club, Inc. Newsletter

June 2025

Volume 35 Issue 6

President's Message

Woohoo this is my sixth Newsletter! I am so excited about the May Luncheon at Wildhorse! We have 13 models showcasing spring fashions from Macy's, and 92 people will be in attendance. It's going to be a fabulous event!

One of my favorite sections in the newsletter is the Member Spotlight. I'm reaching out to seasoned members this month for help with the Member Spotlight section. I've met many women since joining two years ago, but I know there are more stories out there. If you'd like to share your story, or know someone who would, please let me know.

Another section I know we love are the pictures. I always forget to take pictures, and when I do remember they don't always turn out the best. However, we have a great team that can make those pictures work. Please continue sending pictures to our email address

desertnewcomers@gmail.com.

**There is always an opportunity for you to participate.
Get involved; volunteer!**

What makes Desert Newcomers Club successful are the many tasks performed by members behind the scenes. Chairwomen volunteer to take on the above positions. All volunteer members who assume one or more of the above positions are invited to the Annual December Appreciation Luncheon.

DNC Member Spotlight on Sue Regan

I'm surprised and honored to be asked to share my story with you. I'm not very exciting and much prefer listening to you, rather than talking about me, but here goes! I've lived in Southern Nevada since I was in second grade. I graduated from Las Vegas High School and UNLV. I worked in finance at the CCSD and the City of Henderson until I retired the day before the City shut down for COVID. Last year I realized that since my friends still work, I needed to make new friends to spend my days with, and was so happy when I found Desert Newcomers! I enjoy learning new games and meeting new people and taking pictures at the meetings. I have been married for 34 years and we have two children: our daughter lives 20 minutes from us, is married, and in November gave us our

first grandchild, Janson, who is the light of my life!! Our son turns 25 in June (already?!?) and lives and works in Kansas City. I enjoy traveling and in 2023, my husband and I hopped in our Santa Fe and headed east. We were gone for 6 months, attended 6 weddings, 2 college graduations, drove in 30 states, visited lots of presidential libraries, national parks, national monuments, historic sites, beaches, mountains, Chiefs games and friends! We live in a such a great country! It was amazing! It will be a few years before we travel like that again, since I gladly take care of my grandson two (plus) days a week. I also love my morning walks with my Desert Newcomers friends!!
