

*The Parish Council has received the following email from North Crawley Estates regarding the closure of the Permissive Path*

### **ASTWOOD PERMISSIVE PATH**

We have previously written to the Parish Council regarding the Astwood Permissive Path and with regret we are having to do so again. We are very grateful for all the support we have received from the Parish Council. Sadly, the measures put in place so far have had no effect.

Since the opening of the Permissive Path there has been a total disregard of private property including:

- Trespass, when walkers are not sticking to the path.
- Creating dangers to animals.
- Non removal of dog excrement.
- Fly tipping.
- Removal of signage.
- Threatening behaviour towards our tenants.

Regrettably, we are now obliged to close this path through Manor Farm with immediate effect.

I hope that you will be able to explain to Parish Council members and the Public why we are obliged to take such action. At this stage we hope to keep the Permissive Path behind the houses open, in the hope that users will respect the privilege.

I'd value any advice or feedback you might have.

Kind regards,

**Rohit Bajaj**
