How to Use the Size Guide

1. A well-fitting shirt should be laid flat on a firm surface with all wrinkles removed.
2. The Half Chest should be measured 2 cm below the armhole, straight across from side seam to side seam.
3. The Centre Back Length should be measured from the collar/body seam straight down to the bottom hem. The collar should not be included.
4. The measurements should be matched to the size chart, and the closest size should be selected.
5. For **Pant Size measurement:**
 - a. Waist Measurement is to be taken from your body using your belly button as a guide.
 - b. Length is from the waistband to the bottom hem when laid flat.
