

Women informal workers and microentrepreneurs in the times of COVID-19

How can Social Development and Social Protection respond?

Date: Thursday, August 27, 2020

Time: 5:00 - 7:00 pm (India time) | 7.30 - 9.30 am (DC time)

WEBEX Meeting Number 160 212 1505

Meeting Password yXMpDvJ927

The India Gender Platform and India Social Protection teams invite you to a webinar to discuss the effects of the pandemic on women informal workers and micro-entrepreneurs.

SEWA and ALEAP, two pioneering organizations, will share valuable experiences and scalable lessons in what works to reach the most vulnerable women in informal economic settings.

Dr. D K Saxena, Special Secretary and Project Director, Tejaswini to talk about the work being done by the Project in Jharkhand.

We hope the webinar helps us develop strategies and interventions that operationalize inclusion in the post COVID world and 'build back better' across sectors and geographies.

Note: For external attendees please send a mail to Binny Varma at bvarma@worldbank.org in case the RSVP link does not work.
