Annual Dinner 2017.

Our 48th Annual Dinner held at the Weald of Kent Hotel and Golf Course, Headcorn proved to be a very enjoyable and successful evening, with many compliments being received about the excellent meal, delightful company and the very entertaining speeches.

We had 7 visiting captains from neighbouring societies accompanied by their County Secretaries. As in previous years the event proved a sell out with 178 members and guests in attendance. This could probably be attributed to the 2 comedians we had the pleasure of listening to. Our Guest Speaker Ian Irving proved what a slick entertainer he was with some quick fire stand-up and it cannot be denied that he did have the benefit of an appreciated warm up act provided by our Vice Captain William Albery of Faversham G.C. which leads us to believe we will have another good year to come!
