### Annual Dinner.

Our Society held its 47th Annual Dinner at the Weald of Kent Hotel & Golf Course at Headcorn on the 8th April 2016.

180 Captains and guests attended yet again another successful evening with the venue being fully booked and the room alive with laughter and conversation.

The food and service was excellent. The speeches were brief but well delivered and we were entertained by Russ Williams our guest speaker.

Evenings such as this highlight the camaraderie we have within our Society and long may that continue.
