The Societies Annual Dinner 2015

Held at the Weald of Kent G.C. Headcorn on Friday 10th April a first time venue. With 180 members & guests attending it was a full house.

17 of our clubs were represented with Dartford hosting the largest table with 16. Woodlands Manor had a table of 13 as did Faversham followed by Shooters Hill with 12.

Langley Park also turned up with 12 in a rather novel manner by utilising two of member Peter Killicks limosines normally reserved for clients of his Funeral Business.

to the festivities en route!

The Management and Staff provided us with a very good meal and excellent service in a setting that many thought was much improved on some previous venues. The evening was presided over by Robert Dickets acting as MC and the Captain was in good form keeping his speech interesting yet brief.

Our Guest Speaker was the inimitable Roger de Courcey who entertained us both as a stand up comedian and later assisted by Nookie his ursine companion disturbed from hibernation to entertain us, which indeed is what the pair of them did, much at the expense of our gullible President who had been interrogated unmercifully through the meal by the taller and less hirsute of the pair.

The event required a considerable amount of organising and we are fortunate to have someone of the calibre of David Honnor to make it happen and yet make it appear so effortless.

We are lucky too to be held in such esteem that all seven of the Counties we compete against had sent Captains and Secretaries or other representatives to attend as guests and show their support for our Captain and Society. As with all our guests they continue to be warmly welcome and a pleasure to entertain.
