

2019 Bench Presentation at Wrotham Heath G.C.

Sunday 21st July. Bench Presentation.

Our President Mike Lintonbon, on behalf of The Society of Kent Golf Captains, presented a bench to Wrotham Heath G.C. to mark the year in office of their past captain, Roger Cruttenden as Captain of our Society. The bench was grateously received by the President of Wrotham Heath G.C. David Honor who for a change was not acting in his office as Honorary Secretary of The Society!

The Captain with his wife, Sharon.

The Captain & Past Captains of The Society

The event was well attended by Past Captains of The Society, Current Committee Members and Past Captains of Wrotham Heath G.C. Nearly all attended with their wives or partners. A delightful sunny evening was enjoyed by all and a brief statement by The President of the host club enthralled us all with some of our Captains past sporting endeavours. The Host Club arranged some very welcomed food and it was good to see the Captain enjoy the evening in the company of his family.
