The Captain with Staff and Volunteers of Space 2 Be Me.

18th September 2019.

The Captain accompanied by Phil Draper our Charity Representative, today visited **Space 2 Be Me** and handed this very worthy cause a check for £2000 on behalf of the membership. This organisation works across West Kent (mainly Maidstone, Tonbridge & Malling and Tunbridge Wells) with disabled children and young people with

additional needs aged from birth to 25 and their families. They give much needed support to disabled children, their parents and their families. They also provide club style facilities to enable the children to gain inter personnel skills. Please click the Photo above for more information.

18th September 2019.

The Captain & Phil Draper also visited The Chartwell Cancer Trust and donated a further

£2000 on behalf of our membership.

The Chartwell Cancer Trust fully funds local Childhood Cancer Support Groups for children undergoing treatment for cancer or leukaemia in our local and surrounding areas. This support network offers a lifeline to the child, their siblings and parents at a very difficult time in their lives. Regular monthly

meet-ups and trips are organised to provide oncology families with the opportunity to make special memories, whilst having some "normal" time with other families in similar situations.

Please click the Photo above for more information.

The Captain presents a cheque to The Chartwell Cancer Trust.

This charity was put forward by Pat Donaghey current Captain of the West Kent G C. and members may contact Phil Draper (or the secretary) should they be aware of a childrens charity in need, in the county of Kent.

The Captain presents a cheque for £500

29th September 2019.

The Captain today presented a cheque for £500 to his personal choice charity "SANDS" which stands for **'Stillbirth and Neo Natal Death Charity'** Once again if anyone wishes to learn more of this very worthy cause please click on the adjacent photo.

"SANDS" provide free support to anyone affected by the death of a baby through their national helpline, forum and network of support groups.

They train thousands of midwives, doctors and other professionals so that they can provide the care and support parents desperately need when their baby has died.

They are pioneering a National Bereavement Care Pathway that would make providing excellent bereavement care a priority for all hospitals.

And they fund research to reduce the number of babies who die every day in the UK.
