2021 Presidents Day.

Roger Cruttenden our President welcomed 95 members to his home club, Wrotham Heath G.C. on a cool, damp and misty morning to compete for his Presidents Prize.

The weather improved greatly within less than an hour after the 8.30 am first player teed off! The course proved difficult for all but a handful with its slick and tricky greens and dastardly pin positions. The course was in immaculate condition judging from the many comments over lunch and the food and hospitality greatly appreciated served by the happy, helpful and attentive staff.

All in All a delightful day in the company of a popular and generous President.

Local member John Rowe wins our Christmas event with 40 points.

On a dry, sunny but chilly day we held our last meeting of the year at Sittingbourne & Milton Regis Golf Club playing for the Chislehurst Salver at our Christmas Fayre meeting.

We had an excellent turnout with 100 members taking part and although

playing from the Yellow Tees the course played long and scoring was not easy. With only 4 players reaching 36

points or more.

However, this did not deter from an enjoyable day with great atmosphere and banter within the clubhouse during lunch.

We were extremely well looked after by the staff of Sittingbourne Golf Club who also provided us with an excellent Christmas Dinner.

Congratulation must go to John Rowe who had an super score of 40 points and took home the trophy.
