### **Bench Presentation 8th Aug. 2021**

A large gathering of Society Past Presidents and Committee members along with wives and partners assembled at St. Augustines G.C. to mark the Captaincy of the Society held by Peter Skipper, a popular member of that club.

As is our Practice, a bench was presented to St. Augustines G.C. following a few words from our President. The Treasurer, Chris Setterfield of St. Augustines G.C. responded on behalf of his club.

St Augustines G.C. laid on a buffet for the guests and on a warm breezy evening a warm social gathering ensued. It is good to note that among the Society Past presidents, 96 year old Past President Ron Cox (Sundridge Park) was in attendance with his wife Kristel. The Captain had friends and family among his personal guests to witness the occasion.
