

### 2023 Captains Presentation to West Kent G.C. 30th August.

As is customary at this time of year, **The Captain** would normally donate a bench to his home club to mark his year as Captain and Chairman of our Society. Ever willing to be innovative, and no doubt following a word from his home club, A slight deviation from the norm took place this evening at West Kent G C.

A throng of Past Presidents, Committee members and other members, many along with their wives and partners, enjoyed a pleasant hour or so to witness the presentation of a **Wall Clock by our President to West Kent golf club**. This was graciously received by West Kent President Ken Southern who responded

with thanks and some kind words

### Aphasia Re-Connect

A second presentation was also made by our Captain, this time to current **West Kent Captain David Lincoln**, when a cheque for £750.00 was delivered from The Society for **Aphasia Re-Connect**, David Lincoln's Captains Charity in his year of office.

*The Captain presents a bouquet to his wife Susan Skinner.*

### Further Presentations.

The Captain further presented bouquets to W.K. Presidents wife, **Christine Southern**, The Society's Presidents wife, **Kathy Mercer** and The Captains wife, **Susan Skinner**.

The evening was made more enjoyable by the provision of excellent food and wine on a night when constant rain made it impossible to perform all these tasks outside. Our thanks to WKGC for helping make this such a warm and memorable occasion.
