

Happy 100th Birthday

Ron Cox, former Society Captain 1992, has recently celebrated his 100th birthday.

In honour of this milestone, Captain Brad Smith, Vice Captain Gary Snell, and Past Secretary David Honnor, accompanied by their spouses, had the pleasure of hosting Ron and his wife Kristel for a celebratory lunch on behalf of the Society.

A card was given to Ron, and flowers presented to Kristel, the group shared a cake marking this significant event

Both Ron and Kristel are in good health and expressed their enjoyment of the occasion.

Ron has been a dedicated member of our Society, and we extend our sincere gratitude for his longstanding contributions.

We wish Ron and Kristel continued good health and happiness in the years ahead.
