

2025 Bench Presentation

Past presidents and committee members, along with their partners and guests of Captain Brad Smith, convened at Sittingbourne & Milton Regis Golf Club to present a commemorative bench from the Society to the club.

Society President Mike Stephens formally presented the bench to Club Captain Alec Provan.

This gesture marked Captain Brad Smith's tenure and acknowledged the substantial support provided by the club throughout his term of office.

Captain Brad expressed his gratitude to all attendees and presented bouquets to the Jane Provan wife of the Sittingbourne Captain, to Liz Stephens, the Society President's wife and to his own wife, Diane.

It was marvelous to see Ron Cox, a past Captain & President of the Society who celebrated his 100th birthday earlier this year, with his wife Crystal attending the event.

The evening was made more enjoyable by the provision of a sumptuous finger buffet courtesy of the Sittingbourne caterers
