

Charity Fund.

Thanks to the generosity of our members this year the society was able to donate £1,400 each to two deserving Kent charities, **WeAreBeams at Allsworth Court St Davids Road Hextable** and **BexleySnap at Normandy Send Hub Fairford Avenue Barnehurst.**

On Thursday 7th November 2024 I accompanied the Captain Mike Stephens to WeAreBeams at Allsworth Court St Davids Road Hextable and BexleySnap at NormandySend Hub Fairford Avenue Barnehurst.

WeAreBeams was established in 1996 and provides comprehensive support services to children with physical, learning, or sensory impairment in the North Kent area. These services include a range of leisure activities and a respite unit providing overnight care for disabled children. They also help young children with disabilities to gain independence and control their lives and future. We were shown around the center and after the tour

The Captain presented the charity with a cheque for £1,400.

BexleySnap was founded in 1994 and offers disabled children a varied programme of clubs. They give the children an opportunity to improve their development through structured and free play enabling them to socialise with their peers in a nurturing, understanding and fun environment. They also aim to provide parents and carers with support,

guidance and breaks from their caring responsibilities and to meet others in a similar situation and to feel that they are not alone and what may be a new and emotional situation. **After a tour of the Normandy Send Hub the Captain presented the charity with a cheque for £1,400.**
