

Jr World Mini – Saturday April 19th

The 46th running of the World Mini Grand Prix will be held at Mesquite MX Park April 17-20th on the National Track (MX1). The event is known as the amateur national that started it all; World Mini was the benchmark that amateur national events strived to be throughout the preceding years.

For 2025 Vurbmoto is bringing the World Mini Experience to all racers including the weekend warrior.

Mesquite MX Park has a unique multiple track opportunity, and we are taking advantage of it.

Saturday April 19th we will offer a racing experience for those not able to attend the entire event. This year we will host a Saturday only program on the Vet Track (MX2) to offer more riders the opportunity to experience amateur national vibes.

With a “Saturday Only” class list built for our Jr World Mini racers; everyone will now have the opportunity to attend the 2025 World Mini event.

Mark your calendar and come out to Mesquite MX Park Saturday April 19th, race the MX2 track with your friends, and watch the top amateurs in our sport compete on the National Track for the 2025 World Mini Grand Prix Championship.
