## DANCING SPIRIT BUILDING UPDATE

Here are a few things we've accomplished in the past month:

- Walls are framed and the crane came out on January 26<sup>th</sup> to stand them up
- Trusses were delivered and scheduled to begin installation on February 7<sup>th</sup>
- Clearheart Designs is working with the roof/window companies for color samples for windows, doors, roofing and flashing
- Sample board of colors designed and sent out, narrowed down to three.
- Durango Herald was on site on February 15<sup>th</sup> to do an article on the build!

Progress is continuing – and quickly!

And check out the video of the last truss going up!
