DANCING SPIRIT BUILDING UPDATE

Here are a few things we've accomplished in the past month:

- Color is on the stucco, it is complete and it's beautiful!
- The roof is finished and the color looks so nice with the stucco
- Foundation vents and fan ducts have been installed
- River Rock is on the barrel roof piers
- Mechanical and plumbing permits have been issued by La Plata County
- Shaw Solar is installing the rough in
- The make-up air equipment has been installed in the roof
-

Coming up next, interior windows and the pottery studio door will be going in and we are scheduled for rough in inspections on May 22nd!

Sincerely,

A handwritten signature in blue ink that reads "Kasey Correia".
