DANCING SPIRIT BUILDING UPDATE

Here are a few things we've accomplished in the past month:

- Drywall is finished and the priming and painting have begun!
- Ignacio Public Works have completed the water and gas service line installation including meters
- Painters have been working hard and are down to just touch ups.
- Electrical fixtures are going in and the lights are on!
- Cabinets have been installed in the breakroom and the main doors are installed!
- Exterior sign ideas are in progress.
- Plans for the AC and a Tesla Powerwall3 are underway.

Sincerely,

A handwritten signature in blue ink that reads "Kasey Correia".
