Quality Meats

Zekiah Farms naturally raised meats are hormone, steroid and antibiotic free. Our animals are raised on a natural diet of pasture, hay, and grain to meet their nutritional needs.

We are proud to provide our customers with the best meats available. Our animals are lovingly raised with daily hands on attention. Happy, healthy animals make tastier meat.

Premium Dry-Aged Beef (Dry-aged for 14-21 days), provides a more flavorful and tender cut. Pounded for pound, you are getting more beef and no water weight. The meats are flash-frozen and vacuum-sealed to maintain its freshness and flavor. Our hot dogs and smoked products are uncured and **nitrate / nitrite free**.

Our products are available through our farm store CSA program, and farmers' market. Not only do our customers receive quality produce and experiences, they help support their local farms and youth!

Thank you for your interest in our farm,
Cindy, Tyler and Cody
