THIS WEEK'S CSA

No Winter Veggie CSA pick up this weekend Jan 30, 2021

Due to the cold temperatures the veggies growth is not keeping up on a weekly basis. So, we need to take a break and reevaluate. I will keep you posted and let you know when we will resume pick up for the winter vegetables. Keep in mind that the winter vegetable season runs through April 24, 2021, with 8 weeks built in for holidays, slow regrowth, and or bad weather.

Feb 6, 2021 is the CSA farm share pick up for Meat, Chicken, Egg, and Winter Veggie (depending on weather).

Four days left to lock in 2020 CSA prices. (please read 2nd page)

FARM UPDATE

Meet Veda, she is a Great Pyrenees / Anatolian Shepherd cross.

The Great Pyrenees is a large, thickly coated, and immensely powerful working dog bred to deter sheep-stealing wolves and other predators on Pyrenees Mountains of Asia.

The Anatolian Shepherd is an ancient dog breed from Anatolia region of Turkey. They were bred to work guarding livestock from fast-paced predators like wolves and cheetahs.

Remember the coyote problems we have had? Hopefully, Veda will help take care of the issue.

We just picked her up last Friday. Still a baby, she loves her naps. She loves playing with Kimber and Remi. Veda is so soft and cuddly. Make sure you come out and meet her.

Facebook Live: we have been going live most evening between 6 & 8 pm enjoying the lambs and Brownie's night time bottle. You are welcome to join us and ask questions.
