Vegetable Shares

Available seasonally with weekly distribution.

The Vegetable share will include a variety of seasonal Southern Maryland vegetables, herbs, and fruit; each hand picked for you. The exact selection and quantity of vegetables depends on the nature of each season.

Summer Vegetable Share: starts sometime in May / beginning of June (depends on mother nature) – September (approx. 16 boxes). Early the quantities tend to be smaller with a focus on cool season veggies and as the weather warms the variety and quantity increase. We try to provide fruit each week.

Vacation deferral: summer is for family time and adventure, so we built in two weeks for your vacation time. Defer any two (2) of your share distributions; minimum of week notice required.

Winter Vegetable Share: Fall to Spring with 8 weeks built in for holidays, slow regrowth, and or bad weather (around 18 boxes). You may also receive Zekiah Farms Honey and canned goods to supplement. Cold season veggies such as Kale, Mustard greens, Collard greens, Turnips, Cabbage, Broccoli, Cauliflower, Winter squashes, Lettuces, Sweet Potatoes, etc.
