

THE WHO & WHY

AnthonyCalls4Humanity is a 501(c)(3) non-profit foundation inspired by the Holy Spirit and created in honor of my son, Anthony Isaiah, whose life and plea for change continue to move hearts toward compassion and purpose. Our mission is to pursue Justice, Advocate, Create, and Unify — all through the Father's love.

JUSTICE

We stand in faith, praying without ceasing that the person responsible for taking my son's life on April 2, 2021, on S. Orange Drive in Orlando, FL, will come forward and that truth and justice will prevail. Seeking to transform this pain into purpose through faith, justice, and love.

ADVOCATE

We are working to establish a "John Doe" Standardized Policy in Florida hospitals. This policy would ensure that unconscious patients without identification receive the crucial care and information needed for life-or-death treatment, while also giving families a chance to reunite with their loved ones during their most vulnerable moments. S.E.E.D OUTREACH

We aim to create a safe, therapeutic, and temporary residential home for young women ages 12–21 who are struggling with mental health challenges. Our vision is to provide a safe, faith-centered space to reset, restore, and reestablish emotional, spiritual, and social well-being — preparing each young woman to confidently rebuild her life and purpose.

COMMUNITY

We strive to bring together volunteers, supporters, and other non-profit organizations to uplift our local communities. Through acts of service, compassion, and grace, we reflect the Father's love and become the change humanity so deeply needs. "God is love; whoever abides in love abides in God, and God in him" John 4:16.

ANSWER THE CALL

From a mother's loss and a son's lasting legacy, our foundation seeks to bring light from painthat we can comfort those in pain with the comfort we ourselves receive from God. Together, we carry one another's burdens and find healing through grace, unity and love.
