Within one year of the occupancy of the dwelling, not less than \$500 shall be spent on each lot within the Properties for landscaping other than the lawn.

7. COMMON FENCING: Owner shall have the option to install on the lot line of any lot within the Properties abutting an arterial or collector street, a common fence and shall have a temporary construction easement as may be necessary to exercise this option. Upon construction of any such common fence, Owner shall record a notice upon the lots affected and any fence so constructed shall become Commons as provided for in these Covenants. Public sidewalks and street trees shall be installed during the construction of the dwelling as required by the City of Lincoln, Nebraska.

13. RECREATIONAL VEHICLES: No recreational vehicle, as defined by the Lincoln Municipal Code, shall be parked or stored upon any lot within the Properties, except within an enclosed structure. Recreational vehicles may be temporarily parked or stored upon a lot for a period of time not to exceed 14 days per year.

14. CONSTRUCTION VEHICLES AND REFUSE COLLECTION. Owner may designate and enforce locations through and over which all construction vehicles shall enter and exit the

Properties during development. Owner shall also have the exclusive right to designate a single provider of all refuse collection and rolloff service within the Properties. The purpose of designating a single provider is to limit and control the number of service trucks operating within the Properties. The Corporation may establish rules, regulations and fines to enforce this provision against any member failing or refusing to use the designated provider. The rights of the Owner under this paragraph to designate a refuse provider shall be assigned to the Corporation when residences shall have been placed or constructed upon all of the lots within the Properties.

15. HOMEOWNERS ASSOCIATION: Every person or entity who owns a lot within the Properties shall be a member of the Corporation. However, any person or entity who holds such interest merely as security for the performance of an obligation shall not be a member.

16. MANAGING AGENT. The Owner or the Corporation may contract for the performance of any of the Corporation's rights, obligations or responsibilities with any entity or individual ("Managing Agent"). 19. USE OF COMMONS: Each member of the Corporation shall have the right to use and enjoy the Commons as established by the rules, regulations and requirements of the Corporation and shall have an easement upon the Commons for the use thereof, which shall be appurtenant to the interest requisite for membership.

20. RIGHTS IN COMMONS: The rights and easements of the members of the Corporation shall be subject to:

- a. The right of the Corporation to borrow money for the purpose of improving the Commons and to mortgage the Commons. In the event of default, the mortgagee shall have the right, after taking possession of the Commons, to charge admission and other fees as a condition of the continued use of any recreational facilities within the Commons by the members, and to open the facilities to a wider public until the mortgage debt is satisfied. Any mortgage of the Commons shall be approved by the affirmative vote of two-thirds of each

class of members entitled to vote, present in person or by proxy, at a regular meeting of the members or at a special meeting of the members, if notice of the proposed mortgage is contained in the notice of the special meeting.

- b. The right of the Corporation to take any steps reasonably necessary to protect the Commons against foreclosure.

Each member of the Corporation shall be responsible for the proper storage and disposal of all construction debris and materials associated with the construction of any improvements upon their lot. Lots shall be periodically mowed and loose debris and materials picked up and properly stored to prevent them from being spread and blown throughout the Properties. Each member shall be responsible for the enforcement and monitoring of these obligations for all contractors and suppliers performing work upon their lot.

23. FAILURE TO MAINTAIN. In the event any member fails or refuses to perform any required maintenance and upkeep of any landscape screen or the general maintenance obligations, the Owner or Corporation after seven (7) days notice to the member in default, may perform the required work or maintenance. The actual cost of performing the work or maintenance together with a 10% administrative fee shall be the personal obligation of the member who is or was the owner of the lot failing to perform their maintenance obligations, shall bear interest at the rate of 14% per annum and shall be a lien upon the lot assessed.

24. MAINTENANCE OF COMMONS: The Corporation covenants and each Class A member of the Corporation, by the acceptance of a deed by which the interest requisite for membership is acquired, shall be deemed to covenant to maintain the Commons to the extent not otherwise provided for by these Covenants, which Covenants by the members shall be satisfied by the payment of annual and special assessments for the administration, maintenance

or improvement of the Commons. Annual and special assessments shall be uniform for all Class A members within the Properties.

25. LIEN DUES AND ASSESSMENTS: The lien of any dues or special assessment shall, until shown of record, be subordinate to the lien of any mortgage placed upon the lot against which the assessment is levied.

26. ANNUAL ASSESSMENTS: Annual general assessments (dues) and special assessments, other than for capital improvements, may be levied by the Board of Directors of the Corporation. Any special assessment for capital improvements must be approved by the affirmative vote of two-thirds of the members affected and entitled to vote, at a regular meeting of the members or at a special meeting of the members, if notice of a special assessment is contained in the notice of the special meeting.

The members shall pay annual general (dues) and special assessments to the Corporation or Managing Agent as billed. Each member's dues shall be determined on an annual basis for each fiscal year, prorating a fractional year which may occur by issuance of a building permit for any dwelling. Changes in the amount of future annual dues shall be based upon an estimate of the Corporation's costs for administration, maintenance and improvement of the Commons and each member shall pay the annual dues so established in advance. At the end of each fiscal year, a statement of the total year's Common's operating costs may be presented to the members of the Corporation and the members shall pay any excess charge to the Corporation within thirty (30) days of the statement.

- a. Budgets. The Corporation or Managing Agent shall prepare, approve and make available to each member a pro forma operating statement (budget) containing (1) estimated revenue and expenses on an accrual basis; (2) the amount of any cash reserves of the Corporation currently available for replacement or major repair of the Commons and for contingencies; (3) an itemized estimate of the remaining life of, and the methods of funding to defray repair, replacement or additions to, major components of the Commons; and (4) a general statement setting forth the procedures used by the Corporation in the calculation and establishment of reserves to defray the costs of repair, replacement or additions to major components of the Commons.
- b. Additional Charges. In addition to any amounts due or any other relief or remedy obtained against a member who is delinquent in the payment of any dues or assessments, each member agrees to pay such additional costs, fees, charges and expenditures ("Additional Charges") as the Corporation or Managing Agent may incur or levy in the process of collecting from each member monies due and delinquent. All Additional Charges shall be included in any judgment in any action brought to enforce collection of delinquent dues or assessments.  - iii. Costs of Suit: Costs of suit and court costs incurred as allowed by the court;
 - iv. Filing Fees: Costs of filing notice of lien in the Office of the Register of Deeds;
 - v. Interest: Interest on all dues and assessments at the rate of 14% per annum, commencing thirty (30) days after the assessment becomes due; and
 - vi. Other: Any other costs that the Corporation may incur in the process of collecting delinquent dues and assessments.
- c. Lien. The dues and assessments shall be the personal obligation of the member who is the owner of the lot assessed at the time of assessment and when shown of record shall be a lien upon the lot assessed.
 - d. Fines. The Corporation may create a schedule of fines for violation of Corporation rules and regulations which fine shall be treated and billed as a special assessment to the offending member's lot.

27. ADDITIONS: The Owner may add additional contiguous or adjacent real estate to the Properties or the Commons, at any time, without the consent of the members of the Corporation. Additions shall be made by the execution and recordation of Restrictive Covenants upon the additional real estate, making the addition subject to these Restrictive Covenants; provided the general standards set forth in paragraphs 5 and 6 may be reduced, increased or otherwise modified within any such addition.

28. AMENDMENTS: These Restrictive Covenants shall run with the land and shall be binding upon and enforceable by the Owner and all persons claiming under the Owner. These Restrictive Covenants may be terminated or modified, in writing, by the owners of two-thirds of the lots within the Properties, at any time. However, the provisions of these Restrictive Covenants governing membership in the Corporation and the maintenance of the Commons shall not be terminated or modified without the consent of the City of Lincoln, Nebraska. Further, the provisions of these Restrictive Covenants necessary to satisfy the Conditions of the Old Covenants shall not be terminated or modified without complying with the requirements of the Old Covenants.

29. ENFORCEMENT: The enforcement of these Restrictive Covenants may be by proceedings at law or in equity against any person violating or attempting to violate any provision

hereof. The proceedings may be to restrain the violation, or to recover damages and, by the Corporation, may be to enforce any lien or obligation created hereby.

30. SEVERABILITY: The invalidation of any one of these Restrictive Covenants shall not affect the validity of the remaining provisions hereof.
