Annual membership: This membership at \$50.00 allows a paid member and immediate family members full access to any of the PNWGP Claims. It also allows you to bring a friend and help spread the "GOLD BUG". (max. twice per friend if they like it that much. They should buy a membership) Not only does this membership give you full access to all our claims, but it also allows you a chance to try a never before done thing. You can stake a "micro claim" for 7 days (on one of our claims), allowing you to hold 25sq.' of land while you head back to work for the week. We are calling this our "ADS system" These kits will be \$15.00 (max of 4) a piece, but you can get your first kit for \$10.00 if purchased with membership. (description of kits below) This membership comes with: 1x Parking pass, 2x Membership cards,

30-Day Pass: This pass allows you to get a taste of what we have to offer before making a full commitment. Or, for those members who are just vacationing for a month here in the PNW... These Passes will be \$30.00. They allow the paid Member and their immediate family access to any of our PNWGP Claims (for 30 days from agreed upon date). They do not come with the ability to purchase our "ADS kits". But, if you decide after your 30 days you would like to upgrade to an **Annual Membership**, you can do so by paying another \$25.00 and we will start your year from the date your 30-day pass started. You will then have the option to buy your first "ADS kit" at \$10.00 with that upgrade. (following 3 at \$15.00) The 30-day Membership includes 1x access/parking pass to put on your dashboard in a visible spot so other Members can see it.

3-Day Pass: This pass will allow the Bearer and their immediate family members access to any **ONE PNWGP CLAIM** (or contiguous claims) These passes are for our out of towners just here for a short stint, but needing to find some SHINEY!! We'll be offering these passes for \$15.00 no frills attached.... 3 Day pass includes: 1x Dashboard punch card/park pass.

The PNWGP would like to Thank all of you for your support!! Without that support for our page, we would NOT be where we are today!! We look forward to continually growing and getting better. Heck, we thought we'd start with 1x40 acre claim, and we're already up to 1x40 and 2x20 acre claims, offering over a half mile of the Molalla River...

All within' 6 months of starting this venture.

Just think where we'll be in 6 years???

Tighten up yer bootstraps, it may get a bit WILD!!!
