WHERE YOUR MONEY GOES

We believe in transparency and simplicity.

Funds are used for:

- Burial or cremation assistance
- Direct support for families
- Essential operational costs to serve families effectively

We do NOT fund:

- Optional add-ons like flowers or headstones
- Non-essential services

This ensures donations go directly where they are needed most.

HOW THE PROCESS WORKS

We keep things simple during a difficult time.

1. A family (or representative) reaches out
2. We connect directly to understand their needs
3. A short assistance form is completed
4. Support is provided as quickly as possible

Our goal: remove stress, not add to it.

GET INVOLVED

Together, we can ensure no family walks
through loss alone.

You can make a difference today.

Your support means:

A family feels less alone

A burden is lifted

A child is honored with dignity

Give today. Partner with us. Change a family's hardest moment.
