78 *years of weaving and spinning in the Niagara*

INVITATION to VENDORS

The annual - **The Art of Fibre Show & Sale**

Fibre is a beautiful natural and versatile product that can be shaped, formed and intertwined to create a multitude of beautiful objects: fabric, paper, or sculptures.

These can be further enhanced and created into great works of art.

At this show attendees will see and can participate in hand spinning and hand weaving of fibre.

The show will also offer for sale complementary works in ceramics, wood, basketry and paper.

We would be delighted to see your art represented at this show. Last years show was a great success.
