Frequently Asked Questions

Q- How does the gym communicate with parents?

A-The gym will primarily communicate with you through email. It is very important that you read through the emails we send out. We will also post on facebook and instagram and you can always find our schedule on the website.

Q- What is the attendance policy?

A- During the summer we run “make up hours” if you miss a practice your child is able to make up those missed hours in an appropriate class or other team practice. Make up hours end in August(choreography is mandatory). After summer, athletes are given 3 unexcused absences. Extra practices and practices the week before a competition are MANDATORY. If your child misses a mandatory practice or exceeds their unexcused absences the coaches may make the decision to pull your child from the upcoming competition, this decision will be on a case by case basis to make the best decision for the team as a whole. This is a team sport and it is very important to the success of the team that all athletes are in attendance for their practices. Further information including what counts as excused absences can be found in the handbook.

Frequently Asked Questions

Q- Is my athlete required to take extra classes?

A- No, you are not required to take any classes. We do give all competitive team kids 1 FREE class every week that we encourage you to take advantage of! In addition, all team kids can attend additional classes for \$10 instead of the regular \$15 drop in price.

Q- What are private lessons, how do they work? Are they required?

A- Private lessons are a great way for your athlete to get one on one attention, and hands on help with their skills. Private lessons are 30 minutes and are either \$30 or \$25 per 30 minutes depending on the coach. Private lessons can be set up directly with a coach, or if you do not have a specific coach in mind they can also be set up through the front desk and gym email. Private lessons are not required. 24 hours notice is required when canceling a lesson or you will still be charged for the lesson and the coaches time.

Q- Can I take my child to other places to tumble?

A- We do not allow our athletes to take classes/ lessons outside of Eagle Elite. The reason being that we want all of our athletes trained the Eagle way. We want our athletes to have pretty and safe skills with correct technique, and to avoid any injuries. In the past we have found that athletes taking tumbling outside of the gym actually hinder their progress and skills, have had injuries, and created anxiety about the skills. If you have any questions about proper progressions, tumbling skill's prerequisites, or what the correct technique should look like in a skill our coaches are always happy to discuss this.

Frequently Asked Questions

Q- When will I know information about upcoming competitions, i.e: schedule/ spectator info?

A- We do our very best to get you as much information as possible as soon as we can. Once we get FINALIZED information from the event producers we will send it out immediately. Oftentimes competitions change their information, so to avoid confusion we will try to only get you the finalized information, via email.

Q- Where do I go/ take my child on competition days/ where do we meet?

A- Before each competition you will get an email with all important information for that competition. You will be given a meet time, your child should be completely competition ready at this time (hair/makeup done/ uniform on/ bags and jackets left with a parent) We will have an Eagle Elite banner to meet at, or we will have a coach stationed at the front of the venue to collect your child and take them to the warm up area. It is very important to have your child meet us on time and completely ready.

Q- Am I required to stay in a specific hotel for competitions?

A- No. Eagle Elite does not require you to stay in hotels for competitions, those decisions are up to your family. Some families will choose to coordinate hotel stays but that is totally up to each individual family. However, some competitions are “stay to play” and require us to stay in their specific hotel, we will let you know well in advance if any of the competitions have that requirement.

Frequently Asked Questions

Q- Is there required competition make up?

A- Yes. Dance teams will have required competition make up.

Q- What will their wear for competitions?

A- Each dance teams will have their own competition outfit. This will be determined based on their dance theme, and will be decided after choreography.

Q- What happens if my child's team gets a bid to an end of season competition?

A- If your child is on a bid eligible team, meaning an Elite Cheer team or a Dance team, you should be prepared for your child's team to compete at an end of season competition in Florida. If you do not want your child to be on a bid eligible team, and are against going with the team to an end of season competition you should let the coaches know at tryouts that you would not like your child to be placed on an Elite Team.

Q- Can my dancer do a solo or duo?

A- Many of the competitions do offer the option to compete a solo or duo. If your dancer is interested in competing in a solo or duo please email coach Jeseca to learn more.
