Eagle Elite – Uniform/Practice Wear Fitting Agreement

Practice Wear Sizing

(Required for all teams except showcase teams)

- Practice wear is custom made to standard pattern sizes in the styles and colors selected by the Eagle Elite. If a tailored fit is desired, you may seek your own alterations source with the approval of the Kelly Eagle at your own cost and risk. Sizing issues are not defects.
- Final Practice wear size selection is the decision of each athlete’s parent. The Eagle Elite Staff will be present to recommend and suggest the appropriate sizes, but the final size choice is the responsibility of the parent.
- Once an order has been placed it cannot be changed, canceled or exchanged.
- Once an order is placed the cheerleader and their parents assume any and all payment responsibility for that order. If for any reason your cheerleader does not continue with the program, the cheerleader and their parents are still responsible for payment in full of all ordered items.
- Eagle Elite is not responsible for predicting the future growth patterns of your cheerleader, so please size accordingly.
- To avoid confusion all questions regarding a placed order must be directed to our gym director via email.
- Once practice wear is delivered to the athletes, Eagle Elite’s involvement is complete. If there are any issues after receipt, it is the sole responsibility of the customer to contact the manufacturer. This includes but is not limited to issues concerning wear and tear, materials, construction, issues with embellishments such as gems/appliques, etc.
- It is the responsibility of each parent/legal guardian to care for practice wear EXACTLY as instructed on the care instructions provided with the garments.

I have read, understand and agree to the statements above. It is my responsibility to make sure that my child chooses his/her practice wear sizes carefully. If I am unable to attend the fitting I will have another adult assume that role and I agree with their decision.
