October 2022 News Making a Difference For the Kids

Message From President Carroll Metzger

Greetings! For me fall is just a glorious time. As I look out my window and watch the colors on the trees change every day, I am reminded of the wondrous cycle of life. In the life of our club, fall also is an active and changing time: new officers and directors make sure we stay on track. Completed and upcoming activities are described in the monthly newsletter. Community projects such as the BB-5K Walk for Suicide Awareness and Prevention, Food Collection for Head Start Families and, of course, Christmas Parties for Head Start Children are now either completed or in the planning stages. The Art Contest provides students throughout the community with the opportunity to showcase their creative talents. We also are grateful to the Jefferson Foundation for the

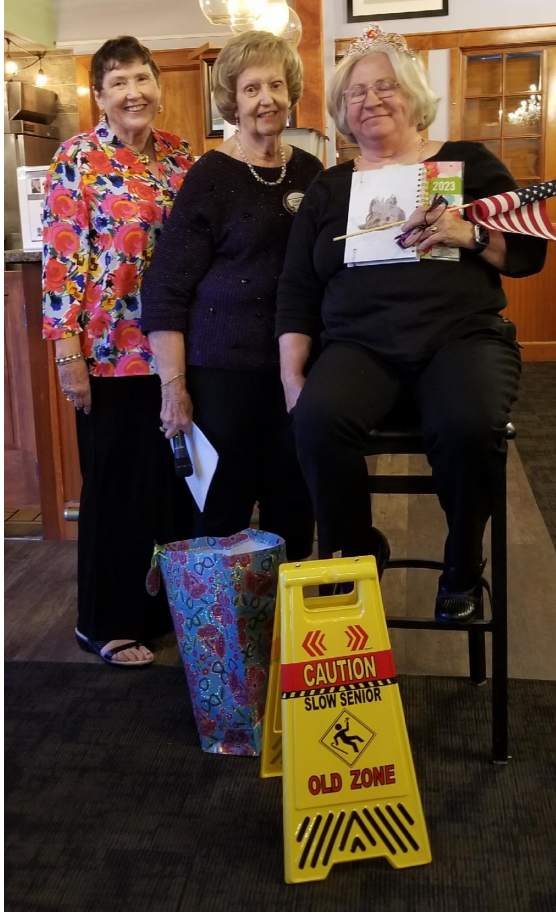

funding of our Coats for Kids Project. Schools already are contacting us to provide coats for students in need. Not to be forgotten, our own fundraising efforts including BUNCO, Koeze Nuts, and Oberle sales are important in funding our youth and community projects throughout the year. All this culminates with a Christmas Party at our weekly lunch meeting that is not to be missed. I hope each of you will find some way to participate in the club's activities. It is your input and contribution that makes the Twin City Area Optimistic Club what it is.

Happy Fall, Carroll

September 29, 2022 Installation of Officers President's Roast

President Gerty O'Leary we will miss your wit, your patience, and your wisdom. Thank you for your leadership and unwavering support.

It's certainly been an interesting Optimist year; meetings with masks, meetings without masks, and everyone hoping they'd escape the clutches of Covid.

Gerty took her roast with a smile and a clever comment or two. She collected all the "lovely gifts" the party committee presented her. She received a dictionary so she would know the difference between induce and induct while officially welcoming new members. She received a tub of cake frosting and chocolate bars to satisfy her cravings. A flag was offered because at one meeting she said "we would have to imagine the flag" that wasn't there. However, she was standing right in front of it! Of course, there is a pole in the center of the room that hasn't gone anywhere but seems to always be in Gerty's way. She received other "priceless" gifts.

Judy Lowe presented gifts to Gerty, and Caryl Harness served as Mistress of Ceremony.

October 6, 2022 Aging Ahead - Bernita Reinarman

Resource Center Assistant Bernita Reinarman was our speaker on October 6th. She informed our club of the services and programs the Aging Ahead Center provides, including Meals on Wheels Program. The center is looking for volunteers to deliver meals. COVID shut down the hot meal program, and frozen meals are delivered just once a week. They are hoping to start hot meals delivery

soon when drivers are available. Normally Meals on Wheels not only provides food but daily friendly contact with clients to assure their safety, and well-being. To learn more about this center please visit: www.agingahead.org

Upset the Apple Cart and Board Meeting Review

New President Carroll Metzger upset the applecart at the October 13th meeting. All members, upon entering the meeting, received a table number and were asked to sit at the apple table assigned. We do tend to sit with the same members each week, and it is nice to have the opportunity to visit with others. Carroll also brought a jar of her homemade apple butter to auction off to the highest bidder. A \$20 bid from Barb Schmidt won her the delicious seasonal treat.

Of special note, club was awarded a \$300 matching grant for our Parents as Teachers Project from Optimist International Foundation. Three new projects were approved by the board of directors which you will be hearing about in the near future.

A \$200 donation was approved for Jefferson County Foster Children's Fund Holiday Party. Over 700 Jefferson County children are in protective custody; they have been handed difficult circumstances.

Main to Mississippi Project - Matthew Unrein

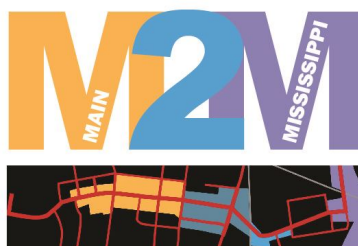

Matthew Unrein, Assistant City Administrator and Director of Public Works for the city of Festus was our speaker on October 20th. He presented our club with an overview of the plan and scope of the Main to Mississippi Project.

M2M - Great Streets the Cities of Crystal City and Festus were awarded a grant for Great Streets Initiative planning assistance by East-West Gateway Council of Governments. This Great Streets project seeks to fortify Main Street, Bailey, and Mississippi between the two city halls and

improve connections among the neighborhoods.

The goal to unite two cities resulted in creating a brand for regional marketing. The Glass District, a name developed in partnership between businesses and stakeholders in both Festus and Crystal City, pays homage to the history of the two communities. Crystal City was the town with the furnace and the forge that made the glass and Festus is where the factory workers sought entertainment and services. Festus and Crystal City are bound together by this history and common interests. Our futures are forever intertwined.

Mr. Unrein shared the vision for the project which will include improving connectivity, enhancing local economies, improving ecology, and creating attractive, interesting places. For more information about this project visit: www.cityoffestus.org

Welcome Back!

It has been fantastic to see members continuing to make a comeback to club meetings.

Cheri Phillips, Shirley Coile, and Linda Portell reunite at our October 20th meeting. Beth Winkeler has started attending meetings when her work schedule permits.

Emma is doing well, still in her maintenance phase and has to go in for chemo much less often. The family has received a lot of well-deserved community support and lately has not needed help from the Optimists. The family appreciates our prayers and support!

SPECIAL THANKS FOR THE SWEET TREATS

Thanks to all our members who have brought in desserts the first meeting of the month. We have enjoyed so many delicious sweets this past year. Below are two recipes from our October dessert day from Katie Huck.

Irresistible Cream Cheese Squares

The name says it all: these are truly irresistible. Irresistible Cream Cheese Squares have an ooey-goey, creamy, and sweet center surrounded by crispy, buttery pastry and a cinnamon-sugar top. You may have trouble not eating these when you see them piled high on a plate. Irresistible Cream Cheese Squares are perfect for any gathering and will satisfy anyone's sweet tooth... right up until they reach for another one!

Ingredients

- 2 (8-ounce) cans refrigerated crescent roll dough ✓
- 2 (8-ounce) packages cream cheese
- 1 1/4 cups white sugar, divided
- 1 teaspoon vanilla extract
- 1/2 cup margarine, melted
- 1 teaspoon ground cinnamon

Directions

1. Preheat the oven to 350 degrees F.
2. Grease a 9x13-inch pan.
3. Press 1 can of the crescent roll dough into the bottom of the prepared pan.
4. In a medium bowl, beat the cream cheese, 1 cup white sugar, and the vanilla until smooth and creamy.
5. Spread the cream cheese mixture over the dough in the bottom of the pan.
6. Unroll the second can of crescent roll dough and lay it on top of the cream cheese mixture without pressing down.
7. Pour or brush the melted margarine on top of the top layer of crescent dough.
8. Combine the remaining 1/4 cup white sugar and the ground cinnamon.
9. Sprinkle the cinnamon sugar over the melted margarine.
10. Bake until the top is crisp and golden, about 25-30 minutes.
11. Let cool for about 5 minutes before serving.

Glazed Apple Bundt Cake

4.9 from 41 reviews

Author: [Sally](#) Prep Time: 30 minutes Cook Time: 1 hour Total Time: 2 hours, 30 minutes

Yield: serves 10-12

Tender and moist homemade apple Bundt cake smothered in a buttery brown sugar glaze. Your new favorite cake for the crisp fall weather.

Ingredients

APPLE BUNDT CAKE

- ✓ 3 cups (375g) **all-purpose flour** (spoon & leveled)
- ✓ 1 teaspoon **baking soda**
- ✓ 3 teaspoons **ground cinnamon**
- ✓ 1/2 teaspoon **ground nutmeg**
- ✓ 1/2 teaspoon **salt**
- ✓ 1 and 1/4 cups (300ml) **vegetable oil**
- ✓ 1/2 cup (120g) **plain yogurt** or **sour cream**, at room temperature
- ✓ 1 and 1/4 cups (250g) packed light or dark **brown sugar**
- ✓ 1/2 cup (100g) **granulated sugar**
- 3 large **eggs**, at room temperature
- 1 Tablespoon **pure vanilla extract** (yes, 1 full Tablespoon)
- 3 cups (360g) peeled and chopped **apples**, about 2–3 large apples

BROWN SUGAR GLAZE

- 1 cup (200g) packed light or dark **brown sugar**
- 1/4 cup (1/2 stick or 57g) **unsalted butter**
- 1/2 cup (120ml) **heavy cream**
- 1/2 cup (60g) **confectioners' sugar**, sifted

Instructions

- 1 Preheat oven to 325°F (163°C). Spray a **10-12 cup Bundt pan** with nonstick spray. Set aside.
- 2 Whisk the flour, baking soda, cinnamon, nutmeg, and salt together in a large bowl until combined. Set aside. In a medium bowl, whisk the oil, yogurt, brown sugar, granulated sugar, eggs, and vanilla together until combined and creamy. Pour the wet ingredients into the dry ingredients and slowly whisk until no large lumps remain. Try to avoid over-mixing. Carefully fold in the apple chunks. If you feel 3 large apples is too much, feel free to cut down to 2 apples. I like a lot of apple chunks in my cake!

- 3 Spoon/pour the thick batter into the prepared bundt pan. Bake for 55–75 minutes or until a toothpick inserted in the cake comes out clean. The baking times may vary depending on your oven, if you used a 10 cup bundt pan or 12 cup, or if you used less apple chunks. Keep your eye on the cake after 55 minutes. Feel free to cover the cake loosely with aluminum foil about halfway through to prevent heavy browning on top. Allow the cake to cool in the pan set on a wire rack, then invert onto a serving plate once cooled and ready to serve.
- 4 **Make the glaze:** As the cake cools, prepare the brown sugar glaze. Combine the butter, brown sugar, and heavy cream in a medium saucepan over medium heat. Stir constantly until the butter has melted, and then stop stirring and let the mixture come to a rapid boil. Boil for 1 minute. Turn the heat down to low, give it a quick stir, and let simmer for 1 minute. Remove from heat and whisk in the sifted confectioners' sugar. Allow glaze to cool and slightly thicken for at least 10 minutes. Spoon glaze over the cake right before serving. (Cake can still be warm when glazing.) If your glaze thickened up too much as it cooled, warm in the microwave for 15 seconds and stir until smooth.
- 5 I like this cake warm, at room temperature, and even cold. Cover leftovers and store at room temperature for 3 days or in the refrigerator for up to 5 days. Flavor is outstanding on day 2!

Notes

- 1 **Freezing Instructions:** Cake freezes well up to 3 months. Thaw overnight in the refrigerator and allow to come to room temperature before serving.
- 2 **Special Tools:** Glass Mixing Bowls, Rainbow Whisk, Spatula, Bundt Pan, Cooling Rack, and Saucepan
- 3 **Nuts:** For some texture, add 1 cup of your favorite chopped nuts like pecans or walnuts.
- 4 **Yogurt:** I prefer plain Greek yogurt here, but regular plain yogurt or sour cream works as well.
- 5 **Apples:** Use your favorite variety of apple. I prefer a mix of tart and sweet in my apple dessert recipes. Granny Smith, Honeycrisp, Jonagold, Fuji, etc.
- 6 **Sheet Cake or Cupcakes:** Try my similar recipes for [apple cake](#) or [apple spice cupcakes](#).
