November 2024 News Making a Difference For Kids

President Cathy Elliott

Fall...what a beautiful time of the year!

Watching the colors change, anticipating cooler weather and celebrating Thanksgiving!

The Optimist calendar year began on October 1st, and we have been very busy getting ready to provide coats for those who have none and food to those who do not have a Thanksgiving meal. Head Start holiday parties are just around the corner where kids will receive clothing, hygiene products and toys to play with. And we provide still more services for foster kids, homeless youth and the women's shelter.

Our fund-raising events are in full swing so that we can continue to support our current and new programs coming this year. Along with our sponsors' support, we will be able to reach out and help more youth in our community than in past years.

I am thankful that I work alongside with these beautiful women in the Twin City Optimist Club!

The words "we can't" do not exist – "how can we" is what we are known to do.

Wishing you all a beautiful Thanksgiving.

November 7, 2024 Board Update Perfect Attendance Awards

Cathy reminded the membership that there were still 3 available openings for the EMO District 1st Quarter conference on November 9.

The Board approved a donation of \$300 to Jefferson County Shop with a Cop to support 2 children. Thanks to Tracy Johnson and Lynne Wendel for the suggestion.

The Board approved that the TCA Optimists would be the Title Sponsor this year for The Leader - Celebrating Women Event on Friday March 28. We sponsored this event last year and it was by all reports a resounding success. As the Title Sponsor we will have a booth at the event, a speaking opportunity during dinner, and 2 tickets to the event. This year the event will support the Aunt Rose Project.

The Project Committee approved a new project for Foster Together, a group that spoke to us earlier this year about their support for Foster Children. We are applying for a matching grant to surprise them with in the spring but in the meantime members with the know-how can crochet or knit hats, or make fleece blankets for them.

Perfect Attendance Awards were presented to the following:

Beth Watts – 1 years

Ruth Ann Adams and Kirstie Zych - 2 years

Debbie Hogenmiller and Kathy Todd – 3 years

Cathy Elliott – 4 years

Patty Meyer – 5 years

Debbie Schumaker – 6 years

Jean Naeger – 7 years

Katie Huck and Barb Schmidt – 8 years

Judy Kuhlman – 11 years

Pat Parsons – 28 years

Barb Bates – 29 years

Sue Boyer – 33 years

Caryl Harness – 34 years

Ruth Ann Adams brought a special guest to the meeting, her daughter Sarah Bailly, also known as the Deaf/Blind Artist. Ruth Ann and Sarah previously contributed one of Sarah's paintings for a fundraiser. Sarah brought prints for sale and cards that she signed and gave away. Some of her poetry will soon be published in a collection and her picture "Windows

in the Soul" will be on the book cover.

Mary Catherine Baragary
Veteran Mortgage Advisor

Mary Catherine Baragary has been a mortgage loan officer with Hancock Mortgage for 15 years and opened an office in Festus 4 years ago. She has also been certified as a Veteran Mortgage Advisor. To receive this certification she had to complete >50 courses and multiple tests. She now teaches primarily real estate agents about VA Loans. There is a stigma that VA loans are not as good as other types of loans so Mary Catherine is trying to change the misconceptions and promote VA home ownership. VA loans can be used for 100% financing with no money down which causes some sellers and agents to doubt the VA loans.

Statistics show that twenty-two veterans lose their life to suicide each day. This is 4 times more than combat deaths. Home ownership provides stability for the family and can help combat this.

Some of the myths that Mary Catherine is trying to debunk are:

- No money down makes for a weaker borrower. Veterans do have to meet requirements to get a VA loan. Lenders still look at credit scores, assets, etc.
- VA loans are harder to get through underwriting. The VA guarantees the loans meaning the lenders actually have more assurance of repayment.
- VA loans take longer to close. The truth is that VA loans on average close within 5 days of a conventional loan but can close much faster.
- You can only have one VA loan at a time. Loans are based on eligibility, entitlements, and qualifications so it is possible to have multiple loans at any given time.

Some other positives to VA loans are that

- Veterans can use their benefits over and over again.
- The waiting period for a VA loan after a foreclosure is 2 years while other loans may require a much longer waiting period.
- There is no maximum loan amount.
- VA appraisers are not more rigid or tough than other appraisers. Regardless of the type of loan, the house must meet safety requirements.
- Surviving spouses may be entitled to use VA benefits

Mary Catherine had 3 primary takeaways for us:

- If/when you are selling your home, don't dismiss a Veteran's offer.
- If you hear a veteran is looking to buy, make sure they are using a VMA loan officer.
- THANK A VETERAN.

Mary Catherine also told us about R.E.D which stands for "Remember Everyone Deployed". This is a national campaign to show support for the US Military who are deployed

overseas, anyone thinking about enlisting, and to honor veterans. To participate and thank active military personnel as well as veterans, wear red on Fridays!

Mary Catherine sells red t-shirts that she helped design for \$22 which goes to USA Cares. USA Cares is a non-profit organization that provides post-9/11 Veteran and Military families support.

Women's Shelter Shopping November 8, 2024

The committee purchased items for the welcome baskets based on the children's ages. The purchases included soft and teething toys for infants; coloring books, puzzles, chalk, and stuffed animals for preschool children, and chapter books, craft items, LEGOs, card games and finger toys for elementary school children.

Committee chair Barb Bates shopped for story books at Riverbend Book store on November 8 and joined committee members Vickie Campbell, Mickie Huskey, and Judy Williams at Festus Walmart on November 15 to complete the shopping.

Head Start Thanksgiving Baskets

As in previous years, the Twin City Area Optimists adopted families through Head Start for Thanksgiving. The committee contacted Head Start to identify 5 specific families including size and ages. They then also requested Head Start to determine the meat preference for each family: ham, whole turkey, or turkey breast.

Donations of food, cleaning supplies and personal hygiene articles were collected over several weeks before the general meetings by Debbie Floyd, Donna Long and Debbie Buenninger. Cash donations were also accepted.

A final shopping trip at Schnucks to purchase perishables and items that had not been donated was held on Monday, November 25. Many members donated their time to assist in the shopping by pushing carts, retrieving items, keeping an eye on the costs, etc. The shopping team consisted of Debbie Floyd, Donna Long, Alicia Cummiskey, Debbie Buenninger, Kirsti Zych, Debbie Hogenmiller, Karen Huskey, Sue Boyer, Judy Williams, Pat Parsons, Carol Schanz, and Katie Huck. After shopping was completed, all purchases and donations were handed off to Head Start.

As a thank you for their assistance, the 5 Head Start Teachers that helped with the project were each gifted a Schnucks gift card.

A big thanks to Carol Schanz for hosting, and to Debbie Kettler who, due to uneven numbers, opted not to play and instead worked hard to keep the frequently distracted players on track and the game moving.
