

**APPLICATION FOR WATER AND/OR SEWER CONNECTION  
WITHIN THE CITY OF TRUESDALE**

The City of Truesdale has a water permit and inspection fee for water and sewer. Also the City of Warrenton charges a connection fee as Truesdale sewage is treated at the Warrenton Sewer plant. These fees are all paid to the Truesdale City Hall, who then forwards the Warrenton fees to the City of Warrenton. Both fees must be paid at the time of application.
