- It is the responsibility of the owner and/or contractor to contact Pennsylvania One Call (Dial #811) to mark utility lines on the property before any digging is started. \_\_\_\_\_ (initial)
- No burning of any materials will be permitted on site. \_\_\_\_\_ (initial)

Application for such Highway Occupancy Permit as to a Commonwealth road or street must be made to, with, and processed by, the Pennsylvania Department of Transportation. If such road or street is under the jurisdiction of the Borough of Patterson Heights, you must apply for and obtain a Curb Cut Application from the Borough. \_\_\_\_\_ (initial)
- In addition to a Zoning Permit, you may need to make other applications and obtain other permits for the development you propose, including, but not limited to, depending on the location of your premises, a sewage tap-in permit for connection to a public sewer, and/or a water connection permit, prior to being able to commence construction. Private covenants may be more restrictive than zoning regulations. Issuance of a building or zoning permit does not constitute compliance with private covenants or restrictions. of the property owner or their authorized representative. \_\_\_\_\_
