Assistance Options Agreement Form

Owner's Name: _____ **Options Date:** _____

Horse: _____ **Assessment Date:** _____

Based on the assessment conducted by the O2O staff for the horse listed above, the items checked below are options that O2O deems appropriate for the horse at this time. The owner is encouraged, but under no obligation, to agree to or act on the below selected items.

- ☐ **Marketing.** The horse will be marketed for sale through O2O until a permanent home can be found. If for sale $750-$2,000, the owner agrees to donate $40 to list the horse on the Liberty Sanctuary website. O2O is unable to market a horse for $2,001+. The owner is then able to use O2O's photos and description of their horse on other listing sites, if they so desire.
- ☐ **Placement.** This option is for owners who do not wish to sell their horse, but would rather find them a good home for free. In this case, the horse will be listed for $1 to make any contract/bill of sale utilized in the transition more binding. If the owner should want to list their horse for sale for between $750 - $2,000 at a later date, they should notify O2O immediately and donate $40 in order to continue listing their horse with O2O.
- ☐ **Euthanasia.** Due to debilitating, irreversible health issues causing a concern for quality of life and/or chronic dangerous behavior, O2O proposes euthanasia as an option for this horse. If the owner needs assistance with finding a veterinarian or requires financial assistance, they should notify O2O staff.
- ☐ **Other:** _____

The above options are presented strictly for the owner's consideration. In no way is the owner obligated or required to complete any of the above actions. O2O encourages an owner to receive a second opinion, or confirmation, if they are in doubt or having difficulty reaching a decision. If a decision is not made on the date of the assessment (and signed below), the owner must notify O2O in writing of their decision within 30 days of the assessment date.
