# Welcome

Welcome to Amped To Dance's Fourth Annual Spring Recital, "A New Thing: Letting Go and Moving Forward". In January 2020 we had a vision to foster self-confidence and creativity through dance in a fun, energetic environment. Countless challenges tried to stop us, but our faith never wavered. Through it all we AFFIRMED (season three) that we were BUILT TO LAST (season one) for something GREATER (season two) !!!

Sometimes, to move forward, we must let go of the things that are holding us back. It can be difficult to release the past and embrace the unknown, but it is often necessary for growth and progress. I realized that no matter what you do, people will always have something negative to say. That is when you must remember that every ending is a new beginning, and every closed door leads to new opportunities. Embrace the present moment and have faith that the future holds remarkable things for you.

Last season we affirmed that we are strong, capable, resilient, and have the power to create the life we want. As dancers, it is easy to get comfortable in our own style and stick to what we know. However, trying new things and pushing past your self-imposed limits can have many benefits. By letting go of our old ways and embracing new movements, exploring creativity, and going to greater depths to be the best we can be, we can expand our reach on the dance floor and in society.

Today you will witness over 139 dancers taking a risk. They are taking a chance and embracing something new without fear or hesitancy. They are choosing to ignore the naysayers, the negative thoughts, the haters, and their complacency to embrace new possibilities their minds cannot even imagine. When we let go, we find freedom, we find strength and we find our true selves. It is time to take a deep breath, let go of what no longer serves you, and step boldly into the next chapter of your life ... step boldly into "A New Thing"!

We'd like to thank our amazing instructors and staff, our dancers, our dance parents/guardians, our supporters, and sponsors. Without you none of this would be possible. Sit back and enjoy the show!

With love,  

Owner / Artistic Director

In loving memory of

## **A MESSAGE FROM MRS. DANA**

The phrase "Thank You" is not enough to describe the gratitude and appreciation I have for all our staff, parents, AMPED volunteers, and proud supporters. Your dedication and commitment to the vision of Amped To Dance has propelled us through yet another successful dance season. I am beyond blessed that you chose to be a part of our dance family.

After losing my mother in February 2023 and then my sister in September 2023 I really wanted to quit everything. Your love, kind words, and thoughtful gestures gave me the strength I needed to continuously operate in my purpose. I realized that God was preparing me for an even greater testimony as we purchased a permanent location for Amped To Dance to ensure a lasting legacy of faith, grace and love for generations to come. One door closed and another one opened.

This year I let go of the past, the pain, the what ifs and stepped into "A New Thing" without fear or hesitancy. Thank you for joining me on the journey. Continue to keep us in your thoughts and prayers as we manifest everything God has in store for our dance studio and beyond. I'll see you all next season. Let's get AMPED TO DANCE!
