GRACE TO GROW

CULTIVATING DREAMS AND PRUNING GREATNESS

SUNDAY, JUNE 8TH @ 1:00PM

EASTERN CENTER FOR PERFORMING ARTS | 1401 LAUREL OAK ROAD, VORHEES, NJ, 08043

  @AMPEDTODANCE  WWW.AMPEDTODANCE.COM

Welcome

In January 2020, we set out to build more than a dance program—we envisioned a space where self-confidence and creativity could thrive. Through every challenge since, our faith remained strong, and we've grown with every step.

Each season has been a milestone:

We were "BUILT TO LAST" (Season 1), created for something "GREATER" (Season 2), "AFFIRMED" our purpose (Season 3), and embraced "A NEW THING" (Season 4). Now, in Season 5, we explore the grace it takes to grow.

Growth is not always comfortable. Sometimes, it requires pruning—letting go of what no longer serves us. It can be painful, uncertain, even lonely. But through it all, we learn that grace carries us forward. Even when our dancers stumbled or felt like giving up, they pressed on. They've pushed past limits, learned to trust the process, and discovered strength in stillness and motion.

Today, as they take the stage, they embody resilience, creativity, and grace. They are a living reminder that with courage, intention, and care, dreams can flourish—even through the pruning.

We are so honored to have you with us today as we celebrate another fantastic milestone for our incredible dancers and Amped To Dance. Please sit back, be inspired, get excited, and enjoy the show!

With love,

A Message from

Mrs. Dana

To my Staff, Dancers, Sponsors, Parents, and Supporters from the depths of my heart I say, "thank you." None of this would have been possible without each and every one of you. Your unwavering dedication, tireless effort, and boundless enthusiasm are the very foundation upon which Amped To Dance thrives.

"Grace To Grow" encapsulates our journey this year. It speaks to the understanding that growth isn't always easy or comfortable. It requires patience, self-compassion, and above all, grace – the inner strength and resilience to navigate challenges, learn from setbacks, and continue to blossom. Just like a plant needs consistent care, even through periods of necessary pruning, we too have needed grace to weather the storms and emerge stronger.

Being an entrepreneur is a constant battle, a journey filled with both exhilarating highs and daunting lows. There are moments of doubt, times when the path ahead seems unclear, and challenges that feel insurmountable. Yet, through it all, my unwavering faith, the power of prayer, and most importantly, the incredible love and support from people like you propel me forward, season after season. Knowing you believe in our vision, in the power of dance, fuels my passion and strengthens my resolve.

Thank you for choosing Amped To Dance. Thank you for entrusting us with your children's dreams, for believing in our mission, and for standing by our side through thick and thin. Your presence, your encouragement, and your contributions, in whatever form they take, are deeply valued and never taken for granted. We are so excited to continue our dance journey with you this summer and into our sixth season. Get ready for the overflow – of joy, of creativity, of growth, and of unforgettable moments on the dance floor!
