

IMPORTANT INFORMATION REGARDING COVID-19

Dear Friends of ATD,

Out of an abundance of caution, Amped To Dance plans to follow the CDC's safety guidelines and recommendations including, but not limited to the following:

- ATD's class sizes will be limited and we will maintain the appropriate staff to student ratios.
- ATD staff will ask all students/parents a series of questions daily about their recent health, specifically questions related to symptoms of Covid-19.
- No touch temperature checks will be conducted for all staff and students daily.
- ATD staff and students are required to wear masks or face shields.
- ATD has safe distance markings throughout the studio to help keep students appropriately spaced at six feet apart.
- Reminders for handwashing, social distancing, and safe sneezing will be posted throughout the facility.
- ATD staff will regularly clean to disinfect the studio throughout the day. Deep cleanings will be conducted every night to prepare for the next day of classes.
- ATD will have scheduled handwashing breaks every hour. In addition to that, we have a hand sanitizer station installed in the facility for use at any time.
- ATD is limiting physical contact including partner routines, in order to practice safe distancing.
- All equipment will be cleaned between uses.

Safety is our #1 priority!!!
