## FluidBlocker.

Each Pouch is lined with 100% waterproof FluidBlocker fabric. Washer- & dryer-safe. For best results, dry clean.

## Hidden Pocket.

Tucked inside the zipper, each pouch features an ample pocket (13" x 15") for necessities.

## Versatile Strap Placement.

4" tall strap sleeves eliminate the small, restrictive holes found on most pouches. Each 10"-wide sleeve allows straps to be repositioned.

## Get the Right Size for Your Needs.

The standard pouch is 75" inner diameter, sized to fit all one- and two-man cots, as well as the Ferno MiniMaxx. To fit the Junkin OS or the 24-Maxx, PLUS size is an additional \$80.

## Choosing the Right Church Truck Drape Model

Identify the Model.

Because of the variety of church truck models sold in the industry over the years, there is no single ONE SIZE FITS ALL design possible.

Identifying your church truck model may require photo verification. Please do not order a church truck drape without first contacting your rep to correctly identify your model.

Verify your  
church truck  
model before  
ordering!

# IdentiView \$375

Premium price: \$367.49

Sets Include:

## No More Cold, Impersonal Pre-Cremation ID Viewings

The IdentiView system is designed to fit virtually all minimum cardboard cremation containers to turn an ID viewing into a more pleasant experience for your client families. Drape the box cover around the cardboard walls and tuck it around the decedent to cover the box and then drape the top with the matching throw. Use the matching lined pillowcase to complete the transformation.

## Fast, Easy Installation & Cleaning

Because the system drapes the box, the remains are undisturbed inside the cremation container. All materials are washer- and dryer-safe. Pair with a matching church truck drape if desired.
