National Day of Prayer

The 73rd observance of National Day of Prayer is Thursday, May 1. To pray for all federal, state, country, city, and tribal leaders who face many issues and challenges daily while in office. The prayer day was created in 1952 by U.S. Congress and signed into law by then President Harry S. Truman. A 90-minute broadcast goes live with many celebrities at 8PM (EST) on some radio and television outlets. It will be hosted by prayer task force president Kathy Branzell and former professional football player Tim Tebow. The theme is from Romans 15:13 which says, "Now the God of hope fill you with all joy and peace in believing that ye may abound in hope, through the power of the Holy Ghost." (KJV)
