CELEBRATING NATIONAL Hospital

LCMC will be celebrating National Hospital Week May 8th through May 12th.

National Hospital Week celebrates hope and healing within the hospitals, health systems, and the women and men who support the health and well-being of their communities through dedication and care from the heart. National Hospital Week also recognizes the miracles that these individuals make happen on a day-to-day basis, both large and small.

Celebrating National Hospital Week provides an opportunity to thank all of the dedicated individuals – physicians, nurses, therapists, maintenance workers, food service workers, administrators and so many more – for their contributions.

LCMC hopes that the community and employees of the hospital will join us for **Community Day!** LCMC will provide a **FREE** Lipid Profile, Glucose, and Blood Pressure Check.

It is suggested that you fast for 8 hours prior to the draw for more accurate test results.

National Day of Prayer

National Day of Prayer is May 4th. With the theme from James 5:16 to be live streamed on Christian Radio and television network stations at 8pm ET that day. Prayer is needed for America and protection and wisdom for all federal, state, country, city, and tribal officials. Some love stream guests are Kathy Branzell, Rev. Samuel Rodriquez, gospel rapper Lacrae, Tony Evans, Jack Graham and others. The prayer date was started in 1952 when U.S. President Harry S. Truman signed a bill designating it. In 1988, it was amended to be held the first Thursdays in May.

For updates, listen to radio stations KTBA 76oAM in Tuba City or KHAC 88oAM in Tse Bonito, N.M.
