## RENEWABLE ENERGY ORDINANCE DEVELOPMENT

# SCAN TO SHARE YOUR INPUT

Utility companies in Arizona have asked renewable energy developers to submit proposals for renewable energy projects in Navajo County.

Due to their desire to develop renewable energy projects in the county, the Board of Supervisors has directed staff to collect testimonies from stakeholders regarding the county's renewable energy Ordinance and the potential for new development.

Scan the QR code below to share your testimony and perspective. All testimonies will be documented and shared with the Board of Supervisors.
