Exciting News for Winslow! 🚧

Today marks the start of the demolition at Coopertown Park, and as a result, the basketball court will be closed. This project is made possible by an AZ State Parks Grant awarded to the City of Winslow, which will bring exciting upgrades, including:

- 🏀 Brand-new basketball courts
- 💡 New court lighting
- 🌳 Shade structures for the playground equipment

Additionally, this grant will fund future improvements at other parks, including:

- New shade structures, benches, and trees at Triangle Park
- New playground equipment, shade structures, benches, and trees at Henderson Park

We kindly ask everyone to drive safely, adhere to traffic signs, and be mindful of workers in the area. Please note that during construction, some areas may not be open to the public.

Thank you for your patience and cooperation as we work to enhance our community's parks and recreational spaces. We can't wait for you to enjoy these fantastic upgrades!
