# Welcome

Our Art House Open Studios festival is a chance for artists and craftspeople across Richmond upon Thames to open their homes, studios and community venues to members of the public.

This is your opportunity to visit creative spaces all across the borough, connecting with the artists themselves to browse, chat and explore.

## Dates & Times

This year the festival will take place over two weekends in July: 15th & 16th, plus 22nd & 23rd. Venues will be open 11am - 6pm.

We have also organised three group exhibitions across the borough to run from 14th - 24th July. Find out more under 'Group Exhibitions'.

## Venues

Each venue taking part in the festival is **free to visit**, and all venues are listed in this brochure along with the days they are open. You can use the following key to find out more about each venue:

Venue is accessible

Dogs are welcome

Small children are welcome

Venue will host talks or demonstrations

# Artists

You can find a full index of artists taking part in the festival, along with their venue numbers, at the back of this brochure. We have also grouped artists by art form if there is something in particular you're interested in.

# Travelling

If you're coming from further afield, neighbourhoods across the borough can all be reached via mainline stations from Waterloo or Clapham Junction. The District Line and London Overground both terminate in Richmond, and you can continue your adventure on foot, by bus, boat or bike.
