Local Association Assessment

Due: March 1, 2017

This survey is intended as a self assessment of the local association. The assessment should involve the officers and committee chairs of the association. A copy of the completed assessment should be mailed to TRTA for review by the TRTA Assessment Committee. The purpose of the assessment is to improve and strengthen local associations.

The Assessment Committee encourages local associations to use the results of the assessment for strategic planning. If a local association would like to have input from the Assessment Committee, please contact TRTA. A member of the committee will be assigned to meet with the local association if input is requested. The TRTA Board wants to provide as much help as possible to promote growth and vigor within locals. Please complete this valuable assessment.

Complete the information below and return this cover sheet along with the completed assessment to: Tennessee Retired Teachers' Association, 801 Second Ave. North, Nashville, TN 37201
