### QuaNix Digital Paint Tester

New MVDA regulations require disclosure of accident damage exceeding \$3000. This is the tool you need!

The QuaNix Handy is a powerful pocket sized gauge that allows the professional buyer or appraiser to quickly identify panels that have been repaired or repainted and then subject them to a closer inspection.

Use to check trade-ins and when buying at wholesale car auctions. Have peace of mind. Don't get caught paying too much for a vehicle that has been in an accident. Does the same job as testers costing TWICE as much!

2 year warranty GERMAN ENGINEERED - GERMAN BUILT  
The QuaNix Handy helps avoid mistakes that can hurt your bottom line!
